...building your future

South Pacific Homes are built by Isles Construction Ltd.
A family owned and operated business, building in the Manawatu for over 35 years.

Contemporary Series - House Eight

This large stylish 5 bedroom family home has it all! The entrance leads directly to the very spacious open plan dining and family area. The kitchen will be a dream to work in with its huge breakfast bar overlooking the family area and a large window above the sink and preparation area. Doors lead off the kitchen/dining to a sheltered patio area – perfect for a relaxed weekend brunch. All five bedrooms are large with the master containing a walk in wardrobe and large ensuite with bath. A large separate laundry and lots of storage complete the picture of this fantastic family home.
